

Slideshow Presentations

Program Overview

Prepare a slide show with pictures that correspond to a theme, for example: Famous Montreal landmarks

Set up chairs facing the television and turn off overhead lights

Ask participants to identify slides

Prompt discussion among participants

Elicit accounts of their memories

Considerations

- Ensure electronic wires are secured to reduce tripping hazard
- Paraphrase responses and translate for those with hearing impairments or who do not speak English

Goal Areas

Maintaining memory and cognitive functioning

Reminiscing and validating participants' recollections

Increasing social interaction

Materials

- Power point presentation
- Laptop
- Television monitor
- Flash Drive
- VGA Cable
